PHILOSOPHY

Our school philosophy is reflected in our vision, mission and values. This philosophy is enacted daily by the actions of our staff, students and community. It is reflected in our plans for the future, our school documentation and our policies. Our teaching and learning programs are guided by our philosophy and students experience an environment in which all actions are guided by the question - *"Is this aligned with our vision, values and beliefs and is it in the best interests of our students?"* Our personalised learning environment challenges and nurtures students whilst being inclusive to all members of our community.

School council approved this policy in February 2024.
